CBSE (Proposed)

2026-27

Dear Readers,

We are happy to present the First edition of Surya's Spectrum, the E-Magazine of Surya Vidyalaya for the academic year **2026–27.** This edition brings together a glimpse of the many exciting events, competitions, celebrations, activities and achievements that made the months of **April to July 2026** special for our school community.

At Surya Vidyalaya, we believe that education goes beyond textbooks and classrooms. Our students are encouraged to explore their interests, express their creativity, take on new challenges and learn from every experience. It is truly wonderful to see them grow into confident, responsible and compassionate individuals.

Behind every achievement is the constant support and encouragement of our dedicated teachers and staff, who work together to create a positive and enriching learning environment. We are proud of the enthusiasm and spirit with which our students participate in every opportunity that comes their way.

We hope that Surya's Spectrum gives you a chance to look back at these memorable moments and celebrate the efforts and accomplishments of our students and the entire school community.

Happy reading, and we look forward to your valuable feedback and suggestions!

Thank You!

Dr.Ranjana Kolwankar
Principal

World Earth Day

EDITION I (Balvatika)
April 2026 – July 2026

The Balvatika section of Surya Vidyalaya celebrated Earth Day on 22nd April 2026 with great enthusiasm and joy. The celebration aimed to create awareness among young learners about the importance of protecting and caring for our beautiful planet. The celebration provided a joyful hands-on learning experience and encouraged our little ones to become responsible and caring stewards of Mother Earth.

"Go Green, keep Our Earth Clean!"

hhttps://www.youtube.com/@VPMSSURYAVIDYALAYA

World Book Day

EDITION I
April 2026 – July 2026

Every Page Tells a Story. Books are Bridges to a Better Tomorrow.

To celebrate the joy of reading, World Book Day was observed with engaging literary activities. Students shared their favourite books, participated in storytelling sessions, and explored the magical world of literature.

The celebration was graced by our esteemed guest, **Dr. Avinash Balkrishna Thakurdesai,** the author of the book Go Local. He interacted with the students and shared valuable insights about reading, literature, and the importance of developing a lifelong reading habit. He also generously donated a copy of his book, Go Local, to our school library, enriching our collection and encouraging students to explore new ideas through books.

International Dance Day

EDITION I (Balvatika)
April 2026 – July 2026

“Dance, Express, Celebrate!”

The Balvatika section of Surya Vidyalaya celebrated International Dance Day on 29th April 2026 with great enthusiasm and energy. The celebration highlighted the importance of dance as a beautiful form of self-expression while creating a fun-filled and memorable learning experience for our young dancers.

International Dance Day

EDITION I
April 2026 – July 2026

Feel the Beat, Celebrate Life!

World Dance Day was celebrated with colourful performances and joyful participation from students. Various dance forms showcased the richness of Indian culture and creativity. The celebration highlighted dance as a universal language that promotes fitness, expression and cultural unity.

Investiture Ceremony

EDITION I
April 2026 – July 2026

Lead today, inspire tomorrow.

The Investiture Ceremony marked the beginning of a new chapter of student leadership. The chief guest, **Mr.Avinash Dharmadhikari,** inspired students with his words on responsibility, discipline and service. Newly elected student leaders proudly took their oath to lead with honesty, dedication and integrity.

Seminar for Parents

EDITION I

April 2026 – July 2026

Resourse Person: Mr. Sudam Kumbhar

Topic : Helicopter Parenting

The Primary Section of Surya Vidyalaya conducted an insightful Parents Seminar on "Helicopter Parenting," led by **Mr.Sudam Kumbhar**. The session focused on understanding the impact of excessive parental involvement in a child's academic, social, and personal life. Parents were encouraged to recognise the importance of giving children opportunities to make decisions, learn from their experiences, and develop independence. The seminar highlighted how balanced parenting can nurture children's confidence, problem-solving abilities, and resilience while providing them with the necessary love and support.

Seminar for Students

EDITION I

April 2026 – July 2026

Resourse Person: Dr.Veena Sakhivel & Team

Topic : Safe-Unsafe Touch by (Sparsh Team)

The Primary Section of Surya Vidyalaya conducted an informative and interactive Student Seminar on Safe and Unsafe Touch, conducted by the Sparsh Team under the guidance of **Dr.Veena Sakhivel**. The session focused on helping students understand personal safety, body boundaries, and the difference between safe and unsafe touch. Through age-appropriate discussions and engaging activities, students were encouraged to recognise uncomfortable situations, confidently say "No" to unsafe touch, and seek help from trusted adults. The seminar empowered students with essential life skills and promoted confidence, awareness, and personal safety.

https://suryacbse.in/

SuryaVidyalaya_CBSE

hhttps://www.youtube.com/@VPMSSURYAVIDYALAYA

Safe Touch, Unsafe Touch

EDITION I (Balvatika)

The Balvatika section of Surya Vidyalaya conducted an age-appropriate awareness activity on Safe and Unsafe Touch. Children learned to understand body boundaries, identify touches that make them feel safe or uncomfortable, and confidently say "No" to unsafe touch. They were encouraged to immediately tell a trusted adult if something makes them uncomfortable. The session helped promote safety, confidence, and self-awareness among our young learners.

Seminar for Teachers

EDITION I

April 2026 – July 2026

Resourse Person: Mr. Ankesh Agrawal

Topic : Effective Teaching Techniques/Stategies

The Primary Section of Surya Vidyalaya conducted an insightful Teachers' Seminar on Effective Teaching Techniques and Strategies, led by **Mr. Ankesh Agrawal**. The session focused on making classroom learning more engaging, inclusive, and student-centred. Teachers explored interactive approaches such as hands-on activities, group discussions, visual aids, technology integration, and the use of real-life examples. The seminar encouraged teachers to reflect on their classroom practices and adopt innovative strategies that enhance students' participation, understanding, and overall learning experience..

Seminar For Teachers

EDITION I
April 2026 – July 2026

Resourse Person: Mr. Avinash Kulkarni

Topic : Art Integration & Active Learning

The Primary Section of Surya Vidyalaya conducted an engaging Teachers' Seminar on Art Integration and Active Learning, led by **Mr. Avinash Kulkarni**. The session highlighted the importance of making learning joyful, creative, and meaningful by connecting different subjects with art forms such as drawing, music, drama, storytelling, and crafts. Teachers also explored active learning strategies involving discussions, hands-on activities, group work, role plays, experiments, and problem-solving tasks. The session inspired educators to create interactive classrooms that nurture creativity, collaboration, communication, confidence, and deeper understanding.

Seminar For Teachers

EDITION I

April 2026 – July 2026

Resourse Person: Ms. Hema Nerurkar, Ms.Preeti Khanna

Topic : POCSO Act, Cyber Crime

The Primary Section of Surya Vidyalaya conducted an informative Teachers' Seminar on the POCSO Act and Cyber Crime, led by **Ms. Hema Nerurkar and Ms. Preeti Khanna**. The session focused on creating a safe and secure environment for every child. Teachers were sensitised to child protection, recognising signs of abuse, maintaining confidentiality, and following appropriate reporting procedures. The session also highlighted the importance of promoting responsible digital behaviour among students and creating awareness about cyberbullying, online scams, identity theft, inappropriate content, and the safe use of social media. The seminar strengthened teachers' awareness and preparedness towards child safety and digital security.

Seminar For Teachers

EDITION I
April 2026 – July 2026

Resourse Person: Ms. Shuba Pandey

Topic : Creative Teaching Straterise for 21st Century

The Primary Section of Surya Vidyalaya conducted an enriching Teachers' Workshop on Creative Teaching Strategies for the 21st Century, led by Ms. Shuba Pandey. The session focused on innovative approaches that encourage students to become active learners, critical thinkers, and effective problem-solvers. Teachers explored the use of technology, collaborative learning, hands-on activities, project-based learning, and real-world experiences to make classroom learning more engaging. The workshop encouraged educators to embrace creativity and innovation while developing students' communication, collaboration, problem-solving, and other essential 21st-century skills.

Seminar for Students

EDITION I

April 2026 – July 2026

Ms. Gopa Saha (counsellor)

Topic: Graphology Session

The Primary Section of Surya Vidyalaya conducted an interesting Graphology Session led by **Ms. Gopa Saha**. The session introduced students to the study of handwriting and its various features, such as letter size, slant, spacing, and pressure. Students explored how handwriting can be observed as a means of personal reflection and self-awareness. The session provided an engaging opportunity for students to observe and understand different handwriting patterns while encouraging curiosity and interest in the subject.

Seminar for Students

EDITION I
April 2026 – July 2026

Resourse Person: Ms. Hema Nerurkar, Ms.Priti Khanna

Topic : Daily Investment Planning, Caring Planets, System

The Primary Section of Surya Vidyalaya conducted an enriching Student Seminar on Daily Investment Planning, Caring Planets, and Systems, led by **Ms. Hema Nerurkar and Ms. Preeti Khanna.** The session introduced students to the importance of developing smart financial habits through saving, budgeting, and making responsible choices. It also encouraged students to adopt eco-friendly practices such as reducing waste and conserving resources. Through the concept of systems, students learnt how different components work together to achieve a common goal. The seminar helped students develop awareness, responsibility, and practical skills that can be applied in everyday life.
